

# What in the world is going on in Afghanistan?

**As the US occupation is entering its 8th year, what has been accomplished? What is the military's present goal? What was the original goal? Come join us in investigating these issues surrounding the US involvement in Afghanistan. We will be using the text *Bleeding Afghanistan* and other supplementary materials to inspire discussion on this topic.**

**The class begins Monday October 12th from 8pm to 10pm at the Bloom Collective and will meet every Monday for six weeks. For more information contact Mike Saunders at [outobol@gmail.com](mailto:outobol@gmail.com) or Jeff Smith at [ismith@grid.org](mailto:ismith@grid.org).**
