

Riverfront Revitalization: The Next Wave

Acrisure Amphitheater

Donor Level

Donor Benefits		\$200,000 And Above	\$50,000 to \$199,999	\$20,000 to \$49,999
	Option to purchase premium seat licenses*	✓	✓	✓
	On-site Recognition**	✓	✓	
	Option to purchase loge seating license***	✓		

*For donors interested in a seat license, each \$10k donation earns the donor the right to 1 seat license. Donors will be ranked and given the choice of seat licensing at cost based upon their gift timing, gift level, and other factors deemed appropriate by the Co-Chairs. Selection of seat licenses will occur in two phases. In phase one, donors will be ranked by commitment date (earliest to latest). Each donor will then have the option to purchase up to four seat licenses. In phase two, donors will be ranked by dollar amount (largest to smallest) and each donor will then have the option to purchase seat licenses based upon your donation amount as referenced above. The option to purchase would remain in place as long as there is availability.

**Donors may remain anonymous, if desired. All donors at this level and above will pay their pledge within one to two years, with a maximum of three years, if agreed upon by the Co-Chairs.

***Donors will be ranked and given the choice of a loge seating license at cost based upon their gift timing, gift level, and other factors deemed appropriate by the Co-Chairs. Selection of loge seating licenses will occur in two phases. In phase one, donors will be ranked by commitment date (earliest to latest). Each donor will have the option to purchase one loge seating license. In phase two, donors will be ranked by dollar amount (largest to smallest) and each donor will then have the option to purchase one additional loge seating license. The option to purchase would remain in place as long as there is availability. If there are loge seating licenses available after the completion of both phases, they will be offered up on a first come/first served basis.
